## Conditions

Classification This competition is open to current ASA/WASA/SASA members with a swimming classification S1-15. Guest entries will only be accepted if members are on the Functional Classification waiting list or have an application submitted with UKSA/INAS.

A classification team will be present at the championships; classifications appointments will be held on September 20<sup>th</sup>. Those swimmers selected for classification will be contacted prior to the event.

If anyone requires any assistance in the area of classification please contact Carolyn Wade at the British Para-Swimming Office on 01612445332 or email [classification@swimming.org](mailto:classification@swimming.org)

### Swimmers from outside the host Region

Swimmers from outside the North East region are welcome to enter this event but should entries exceed the capacity of the pool, entries from the North East Region will be prioritised.

### Events

Individual events will be made up of swimmers with similar entry times, irrespective of their age or disability. This is in order to make the events more competitive and increases the opportunity for swimmers to gain fast times. It is important therefore that accurate times are submitted for all events. If no time is completed, then the swimmer will be placed in the slowest grouping. Subject to entries, the promoter reserves the right to alter session timings and to swim events of mixed gender together, if this is to the benefit of the competition

### Medical Forms / Epilepsy

All swimmers/escorts/coaches/team managers must complete the confidential medical forms.

In the event of an emergency the event organiser will pass the medical forms onto the emergency services.

Swimmers with epilepsy should ensure that the lifeguards are made aware of this before each of their races. A responsible adult who knows the swimmers condition should accompany them. This person must act as a "spotter" on the poolside while the swimmer is in the water.

### Refreshments

It is advised that athletes bring their own food and drinks. Drinks will be made available for officials.

### Medals

Medals will be awarded to the first three places in each event for male and female, using British Disability Points.

The minus 1 rule will be used to award medals:

- where there are only three swimmers in an event, only the top two placed swimmers will receive medals
- where there are two swimmers, only the winner will receive a medal
- where there is only one swimmer, they will receive a medal if they swim faster than their entry time

### Pool side Access

Only team managers, coaches and escorts that have pool side passes will have access to the poolside. Classes S1-5 and S11 are eligible for free escort passes to gain access to the changing rooms and poolside, to give assistance to swimmers.

Passes can be requested with entry forms at £5 per pass and can be collected on the day of competition.

### Entry fees

There will be a £15 entry fee for each swimmer; each swimmer will be able to swim a maximum of 6 individual events.

The Entry fee should be paid when submitting the entry form. Cheques made payable to ASA North East Region.

### Event Photography

Within the guidelines of the ASA Child Protection Policy and the Promoters Club Members Protection Policy, anyone wishing to use a Video Camera and/or a Stills Camera during any part of this event, including the Warm up period, must complete the Photography Registration Form upon your arrival. Failure to do this will lead to the Camera operator being asked to leave the event.
