JANUARY 5th 2017

CHOREOGRAPHY CLINIC SATURDAY 11th FEBRUARY 2017

The Yorkshire Swimming Association Synchronised Swimming Committee are pleased to be able announce a Choreography Clinic to be held at the John Charles Centre on Saturday 11th February 2017

The clinic will be presented by Elizabeth (Biz)Price who coaches the Great Britain Squad. This will be the first Choreography Clinic to be held in the North East that I am aware of in the 30 some Years that I have been involved in synchro.

The Clinic will be open to Club Coaches at all levels(no formal Qualification required), Senior Swimmers who are interested in Choreography . It is envisaged that the Clinic will commence at approx. 8.30 am with a Classroom session until lunch then after Lunch pool sessions until approx 3.30pm.

I therefore would like to invite members of your club attend the Clinic. We will also require some Swimmers on the day to assist in the Clinic. The only stipulation that Biz has specified is that they should be STRONG swimmers. By this I assume swimmers who have at least Skill 4.

The cost to candidates will £10.00 payable to " Yorkshire S.A." and payable upon application for a place.

Applications should be made to me, Name/Address and other contact details at the top of page on the form attached with this invitation/information sheet..

All applications must be made by Sunday 29th January 2017 by the latest

Yours

Bill Cooper

Yorkshire SA Synchronised Swimming Committee Sec..
