

# YORKSHIRE SWIMMING ASSOCIATION

President: Mr. Bill Crawford

**Minutes of the meeting of the Officers and the Swimming Committee Secretary held on Sunday, 18th July 2021 via Zoom starting at 7.00 p.m.**

**Present:**

T. Wilkinson (Chairman), D. Alexander (Secretary), J. Beaumont (Treasurer) & B. Saunders (Swimming Committee Secretary).

**1. Festival of Swimming**

Members met to discuss the Festival of Swimming and the restrictions on the capacity at Ponds Forge. The limit imposed by the venue is 440 people allowed in the pool area including the spectator gallery. With the number of swimmers, Team Staff and Technical Officials allowed there would be a very limited number of spectators allowed.

It was proposed, with regret, that on the occasion no spectators would not be allowed at any of the session. This was approved by all members present. It was noted that the event will be live streamed.

There being no other business the Chairman closed the meeting at 7.20 p.m.
