

Yorkshire Winter Competition

Entries

Competition entries should be made by each Club using the SPORTSYSTEMS Entry Manager system, which is a free download from www.sportsys.co.uk.

Entries, together with full payment and an Entries Report (from SS Entry Manager), should be emailed to winterentries@yorkshireswimming.org (the Entries Administrator) by the closing date - published on www.yorkshireswimming.org. Entries received by the Entries Administrator after the closing the will not be accepted.

Entries from individual swimmers will be returned to their Club for inclusion in the Club's entry. In case of doubt, the first entry file received from a Club will be taken to be the official Club email address and any further entries will be returned to it.

Help for SPORTSYSTEMS Entry Manager is available from the Help option in the programme or from the online help site <http://sportsys.co.uk/entry/ssEntryHelp/index.htm> or from the knowledge base at <http://helpdesk.sportsys.co.uk/knowledgebase.php>. The SPORTSYSTEMS help desk is available here <http://helpdesk.sportsys.co.uk/index.php> where you can raise your particular issue and one of the SPORTSYSTEMS support team will reply.

Withdrawals Procedure

The Yorkshire Winter Competition requests clubs, team managers and swimmers who are unable to swim to notify the Entries Administrator of the withdrawal - in consideration of other swimmers and coaches.

It is the responsibility of the Club who entered the swimmer(s) (see above 'In case of doubt ...') to inform the Entries Administrator of the withdrawal. The withdrawal procedure, including deadlines, is set out below.

Clubs may withdraw swimmers prior to the Winter Competition at any time, to the Entries Administrator, by email winterentries@yorkshireswimming.org or by completing a form at the event, by the deadlines below.

Refunds for non-swims are at the discretion of Yorkshire SA Management Board and/or Meet Organiser and may need a medical certificate or other evidence.
