

County Swimming Championships 2021

Swimmers and Parents/Carers will realise that it would not be possible to deliver the County Swimming Championships in February 2021 with the current social distancing rules in place.

The indications are that the current restrictions will not be relaxed by HM Government in the foreseeable future.

It should be presumed, at this stage, that the County Championships will not take place as planned.

Should the situation improve, which is highly unlikely, we will publish an update as soon as practicable.

We anticipate that it may be possible to hold the County Championships after the Regional Championships, in late May/early June 2021.

I realise that this will be a disappointment to many swimmers but the safety of our members must take priority over all other considerations.
